### **Please read this before sending frames and forks**

Please do not attempt to prepare your item before sending it, this does not help us; please however make sure your item is as clean as you can make it. Please remove all parts from your item, in the case of frames: please ensure all parts such as bottom brackets, headsets, bottle bolts and mech hangers are removed, mfxairart.com **WILL NOT** take responsibility for the loss or damage of such items, frames shipped with these accessories attached may be subject to a minimum **£10.00** labour charge. In the case of suspension forks, the above conditions also apply, please remove all bolts, axles and cable guides, the outer wiper seals must also be removed. Any items shipped with the above attached will be subject to a **£10.00** labour charge.

### Cycle refinishing (graphics, stickers and custom paint)

We can re-apply graphics in a number of ways, firstly, in many cases, we can source original graphics from manufacturers, but these are subject to availability.

Secondly, we can cut your graphics on our vinyl cutter, in almost any colour, these are single colour graphics, that can be adjusted to your preference of fonts and designs etc. the manufacturers logo's will be replicated to the best of our ability.

The last option is to have the graphics airbrushed back on, the pricing for this is based on merit please contact us for a quote.

### Custom cycle painting

The pricing of any custom work is unique to the individual customer, all cycle frame and fork custom paintwork is started from a standard base paint job from the list above and all custom considerations are priced from this point. For custom examples see [www.mfxairart.com](http://www.mfxairart.com)

Custom helmet paint is purely unique to the individual, detailed quotes can only be given when artwork is finalised and any special requirements are taken into consideration, These custom jobs start at **£180.00** and preliminary artwork and design is free of charge.

Please contact [al@mfxairart.com](mailto:al@mfxairart.com) with your ideas, supplying any artwork, logos and colours wherever possible.

We also provide a budget service for helmet painting; this includes a logo or text on both sides and on the rear, airbrushed over your existing design then finished in either a gloss lacquered, or matt finish, this service has a standard starting price of **£100.00**

Please note that custom helmet work is best undertaken with a brand new helmet, this eliminates any uncertainty over chips, cracks or the general condition of the helmet, that said, new helmets are not always required, we can prep most helmets to paint, however if a safety related defect is found, we will not proceed with work and will advise the customer.

### Postage & packaging

Please make sure your item is packed to a standard that It will come to us undamaged, if you use a courier service please attain a tracking number to follow your parcel, mfxairart.com **WILL NOT** accept any responsibility for any parcel that is lost as a result of a dereliction of duty by a postal service or courier, this includes not having parcels signed for and damaged parcels on arrival at our premises, please do all you can to protect and insure your item.
